

PayForMe — Business Documents & Integrations

Version: 1.3

Purpose: Short checklist — documents to prepare and which integrations they are for

1. Documents to prepare (once)

Submit the **same four documents** to every provider below.

#	Document	Used for
1	Certificate of Incorporation	Arkesel SMS · Hubtel SMS · MTN MoMo · Cloudflare R2
2	Business Registration certificate (RGD)	Arkesel SMS · Hubtel SMS · MTN MoMo · Cloudflare R2
3	TIN certificate (GRA)	Arkesel SMS · Hubtel SMS · MTN MoMo · Cloudflare R2
4	Proof of business address (utility, lease, or bank stmt ≤ 3 months)	Arkesel SMS · Hubtel SMS · MTN MoMo · Cloudflare R2

Scan each to PDF (e.g. 01-incorporation.pdf) and keep copies ready for applications.

2. Integrations PayForMe uses

Integration	Provider	What it is for
SMS	Arkesel (<i>primary</i>) or Hubtel	OTP codes, withdrawal alerts, notifications
Mobile money	MTN MoMo	Rent payments, wallet deposits & collections
Cloud storage	Cloudflare R2 (payforme bucket)	KYC documents, financing files, property images

3. At a glance

	Arkesel SMS	Hubtel SMS	MTN MoMo	Cloudflare R2
Certificate of Incorporation	✓	✓	✓	✓
Business Registration	✓	✓	✓	✓
TIN certificate	✓	✓	✓	✓
Proof of address	✓	✓	✓	✓

✓ = submit the core document pack for that integration.

PDF export

```
npm run docs:kyb-matrix-pdf
```

Output: docs/integration-business-documents.pdf

For technical setup after approval, see [platform-integrations-guide.md](#).
